

END-USER LICENSE AGREEMENT

IMPORTANT! READ CAREFULLY: This End-User License Agreement (“EULA”) is a legal agreement between you (either an individual or a single entity) and MIPAR Software LLC (“MIPAR”) for the use of certain Software purchased by you, as licensee, from MIPAR, pursuant to an applicable Order Form. An Order Form means an online, electronic or hardcopy communication by or on behalf of you to MIPAR, which contains details of you and the relevant order, including your name, the Software (including whether under a Single Site License or a Network License) and the number of users (if applicable under a Network License), and for the purpose of downloading, ordering or confirming orders of the Software. For Network Licenses, Order Forms must include the organization's valid tax identification number. A "Network Server" means a computer, workstation, or other hardware device that stores, manages, and provides access to the Software over a network connection to other Computers within an organization's internal network infrastructure. Order Forms include the information webpage completed by a licensee on the MIPAR website, or any customer order form (as provided by MIPAR).

1. **ACCEPTANCE OF THIS EULA.** YOU AGREE TO BE BOUND BY THE TERMS OF THIS EULA UPON THE EARLIER OF: (A) INSTALLING, COPYING, OR OTHERWISE USING ANY OF THE SOFTWARE OR (B) ACKNOWLEDGING THAT YOU HAVE READ THIS EULA AND CLICKING BELOW TO ACCEPT THE TERMS OF THE EULA. **IF YOU DO NOT AGREE TO THE TERMS OF THIS EULA, DO NOT INSTALL, COPY, OR USE THE SOFTWARE, AND DO NOT CLICK TO INDICATE ACCEPTANCE OF THIS EULA.**

2. **GRANT OF LICENSE.** This EULA is personal to you, and MIPAR grants to you and only you the following rights, provided that you comply with all terms and conditions of this EULA:

2.1 **Single Site License.** If you have paid for a single site license, you may use, access, display, install or run one (1) copy of the Software during the term of your Subscription. To the extent applicable, the Software may be used, accessed, installed and run on a single device, such as a computer, workstation, terminal or other device (“Computer”). The Software may not be used by more than one processor at any one time on any single Computer. You may also store or install a copy of the Software on a storage device, such as a Network Server, used only to install or run the Software on your other Computers over an internal network; however, you must pay for additional licenses for each separate Computer on or from which the Software is installed, used, accessed, displayed or run. A license for the Software may not be shared or used concurrently on different Computers.

2.2 **Network License.** If you have paid for a Network License, you may use, access, display, install or run the Software on a network to be accessed by others Computers

connected to the Network Server during the term of your Subscription, subject to the following additional requirements:

(a) The Network License is tied to and may only be used by the organization identified by the tax identification number provided in your Order Form (“Licensed Organization”).

(b) Access to the Software under a Network License is limited to domestic use within the country which hosts the Network Server. The Software may not be accessed, used, or operated from any location outside the country which hosts the Network Server.

(c) The number of Computers that may access the Software at any given time is limited to the number of licenses purchased under your Subscription.

2.3 Academic License.

2.3.1 **Academic Use for Research.** If you have paid for an academic license, and have designated the use for research, you may use the Software for your own internal research purposes; provided, however, you may not use the Software to provide image analysis and related services to unaffiliated third parties.

2.3.2 **Academic Use for Teaching.** If you have paid for an academic license, and have designated the use as for teaching (i.e., pedagogy), you may use the Software for instructional purposes within your educational institution. This includes, but is not limited to, use in classrooms, teaching laboratories, and student projects. You may not use the Software for research purposes or to provide services to unaffiliated third parties.

2.4 **Student License.** If you have paid for a student license, you may only use the Software on your personally-owned system for coursework and academic research at degree-granting institutions. You may not use the Software for commercial, government, or other organizational use.

2.5 **API License.** If you have paid for an API license, you may only use the Software for internal development of your own application software product created using the Software (“Licensee Application Software”). Licensee is solely responsible for reliability and accuracy of any program output, including Licensee Application Software developed with the Software.

2.6 **Other Restrictions.** The license granted to you is limited and is non-sublicensable, non-transferable, non-assignable, and nonexclusive. Your use of the Software is further limited in accordance with the restrictions noted when you agreed to this EULA or as otherwise provided in any documentation that accompanies the Software and you agree to abide by such restrictions.

2.7 **Copies.** Notwithstanding anything in this EULA to the contrary, you may only make a copy of the Software if it is solely for backup purposes or required for the purpose of updating or upgrading hardware, system maintenance, ensuring the continued availability of the Software to authorized users or is otherwise expressly permitted by law. Any copy of the Software must clearly show all titles, trade marks, copyright notices, legends, and other proprietary markings without modification. You must not otherwise copy the Software to any storage device or other server or remove or relocate the server for which the Software is

licensed under this EULA except as expressly permitted by this EULA or by law, unless with MIPAR's prior written consent.

3. **14-DAY TRIAL.**

3.1 Following your download of the Software a limited 14-day license is granted to you solely for your evaluation of the Software. Access during the evaluation period will be granted via a "trial license key" provided by MIPAR at the discretion of MIPAR. Any use of the Software after the expiry of the evaluation period (including, where applicable, any extensions) is not permitted unless the applicable fees are paid by Licensee. The terms and conditions of this EULA apply in full during the evaluation period except that:

(a) no Fees are payable;

(b) the license granted to Licensee with respect to the evaluation version of the Software is non-exclusive, non-transferable, non-sublicensable for the specified evaluation period only and limited to the purpose as stated in this Section 3; and

(c) unless otherwise agreed by MIPAR in writing, limited support and maintenance services will be provided for non-production implementation only during the evaluation period.

3.2 After the expiry of the 14-day evaluation period, you will have the option to purchase for a fee, a license which will extend the time period for which you may use the Software. The cost and terms of this license fee will be made available on or before the expiry date of the 14-day evaluation period. Extended access to the evaluation version of the Software beyond the evaluation period will be enabled via a 'license key' provided by MIPAR at the discretion of MIPAR.

4. **DIGITAL RIGHTS MANAGEMENT.** MIPAR may use digital rights management technology ("**DRM**") in the Software to protect the integrity of its content ("**Secure Content**") so that its intellectual property, including copyright, in such content is not misappropriated. You agree that you shall not, and shall not attempt to, remove, disable, circumvent or otherwise create or implement any workaround to, any DRM. If the DRM security has been compromised, MIPAR shall be entitled to revoke this License in accordance with Section 12 and/or your right to copy, display, use, install, run, and/or access Secure Content. MIPAR may also require you to upgrade some of the DRM components in the Software ("**DRM Upgrades**") before accessing the Secure Content. When you attempt to access such content, MIPAR may notify you that a DRM Upgrade is required and then ask for your consent before the DRM Upgrade is downloaded. If you decline the DRM Upgrade, you will not be able to access Secure Content that requires the DRM Upgrade; however, you will still be able to access unprotected content and Secure Content that does not require the DRM Upgrade.

5. **RESERVATION OF RIGHTS, OWNERSHIP AND FEEDBACK.**

5.1 **Reservation of Rights and Ownership.** The

Software is proprietary to MIPAR and MIPAR reserves all rights not expressly granted to you in this EULA. You acknowledge and agree that (a) the Software is provided to you under license, not sold, (b) the Software is protected by copyright and other intellectual property laws and treaties, (c) MIPAR or those from whom it has licensed the Software retain their entire right, title and interest in and to the Software and all intellectual property rights arising out of or relating to the Software,

(d) there are no implied licenses under this license and any rights not expressly granted to you hereunder are reserved by MIPAR and (e) you acquire no ownership or other interest (other than your license rights) in or to the Software.

5.2 **Feedback.** You may provide MIPAR with suggestions, ideas, enhancement requests, feedback, recommendations or other information relating to the Software ("**Feedback**"). Feedback shall not impose any confidentiality obligations on MIPAR. You agree that MIPAR is free to use, disclose, reproduce, license or otherwise distribute and exploit any Feedback as it sees fit, entirely without obligation or restriction of any kind on account of intellectual property rights or otherwise.

6. **LIMITATIONS ON REVERSE ENGINEERING, DECOMPILATION, DISASSEMBLY AND SHARING.**

You agree not to (a) reverse assemble, reverse compile, reverse engineer, decompile, reduce the Software to a human-perceivable form or otherwise attempt to discover the object code, source code, non-public APIs or underlying ideas or algorithms of the Software in whole or in part, or assist others to do the same, except and only to the extent that such activity is expressly permitted by applicable law notwithstanding this limitation, (b) publish, distribute, rent, lease, provide hosting services, sell, sublicense, assign or otherwise transfer or commercialize the Software or any part thereof, (c) modify, translate, copy, adapt or otherwise create derivative works or improvements, whether or not patentable, of the Software or any part thereof, or (d) remove or obscure any copyright, trademark or other proprietary notices or legends from any portion of the Software. You may not transfer or make available or share your license credentials to others. If you share or make such information available, this EULA may be terminated immediately by MIPAR, without refund, at MIPAR's option, but without limitation to any other remedies MIPAR may have against you. You agree to be financially responsible for any activity resulting from sharing or making your license credentials available to others.

7. **EXPORT RESTRICTIONS.** You acknowledge that the Software is subject to U.S. export jurisdiction. You agree to comply with all applicable international and national laws that apply to the Software, including the

U.S. Export Administration Regulations, as well as end-user, end-use, and destination restrictions issued by U.S. and other governments. You represent and warrant that you are not a person or entity appearing on the lists published by the U.S. Department of Commerce, the

U.S. Department of State, the U.S. Department of Treasury or any other list that may be published by the U.S. Government, as amended from time to time, that is prohibited from acquiring ownership or control of items under this EULA, or with which MIPAR is prohibited from doing business.

8. **GOVERNMENT USES.** In the event you are part of an agency, department, or other entity of the United States Government ("**Government**"), the use, duplication, reproduction, release, modification, disclosure or transfer of the Software is restricted in accordance with the Federal Acquisition Regulations as applied to civilian agencies and the Defense Federal Acquisition Regulation Supplement as applied to military agencies. The Software is a "commercial item," "commercial computer software" and "commercial computer software documentation." In accordance with such provisions, any use of the Software by the Government shall be governed solely by the terms of this EULA.

9. **CONSENT TO USE OF DATA; PROTECTION OF USER CONTENT.**

9.1 **Technical Information.** You agree that MIPAR and its affiliates may collect and use technical information gathered as part of the Support (defined below) provided to you, if any, related to the Software. MIPAR may use this technical information solely to improve the Software or other products provided by MIPAR or to provide customized services or technologies to you and will not disclose this information in a form that personally identifies you.

9.2 **User Content and AI Training Prohibition.** For clarity, "technical information" as used in Section 9.1 is distinct from any images, data, analysis results, or other content processed by you using the Software ("**User Content**"). The Software is designed to operate on-premises on hardware controlled by you. As such, MIPAR does not and will not access, collect, transmit off-premises, or use any User Content processed locally by the Software for any purpose. Specifically, MIPAR will not use User Content processed by the Software on your systems for the development, training, or improvement of any artificial intelligence or machine learning models. Your User Content remains on your systems, under your control and subject to your security protocols. Any User Content you voluntarily and explicitly provide directly to MIPAR (e.g., for specific support requests submitted by you) will be handled according to the terms applicable to that specific interaction or separate agreement, if any.

10. **ADDITIONAL SOFTWARE/SERVICES.** This EULA applies to updates, supplements, add-on components, and/or Internet-based services components, of the Software that MIPAR may provide to you or make available to you after the date you obtain your initial copy of the Software, unless we provide other terms along with the update, supplement, add-on component, and/or Internet-based services component. MIPAR reserves the right to

discontinue any Internet-based services provided to you or made available to you through the use of the Software. However, this EULA does not entitle you to any support, upgrades, patches, enhancements, or fixes for the Software (collectively, "**Support**") unless Support is arranged separately by you with MIPAR and an appropriate agreement and payment of any fees associated therewith are agreed upon.

11. **UPGRADES.** MIPAR may direct you to download and install version upgrades to the Software. You must install all upgrades to the Software that MIPAR designates as "mandatory updates". To use Software identified as an upgrade, you must first be licensed for the Software identified by MIPAR as eligible for the upgrade. Upon installation of an upgrade, the license granted under this EULA will apply to such upgrade (to the extent varied by any additional terms and conditions made available to you by MIPAR) and all rights in respect of the previous version of the Software will lapse and no further use of the previous version of the Software is permitted.

12. **TERMINATION.** Without prejudice to any other rights, MIPAR may terminate this EULA if you fail to comply with the terms and conditions of this EULA. You may terminate this EULA at any time. Any termination of this EULA shall also terminate the licenses granted hereunder. Upon termination of this EULA for any reason, you shall delete, destroy and remove all copies of the Software and all component parts. Upon request by MIPAR, you shall certify that such actions have occurred and MIPAR has the right upon request to inspect and audit your facilities to confirm the foregoing. All accrued rights to payment and/or royalties shall survive termination of this EULA.

12.1 **Network License Violations.** MIPAR may immediately terminate any Network License if: (a) the Software is accessed from outside the country which hosts the Network Server, (b) the license is used by an organization other than the Licensed Organization, or (c) false or invalid tax identification information was provided.

13. **WARRANTY DISCLAIMER.** The Software is not licensed under any warranty and MIPAR has no obligation to provide any support or maintenance for the Software. MIPAR AND ITS AFFILIATES AND SUPPLIERS PROVIDE THE SOFTWARE "AS IS" AND "WITH ALL FAULTS", AND HEREBY DISCLAIM ALL WARRANTIES AND CONDITIONS, WHETHER EXPRESS, IMPLIED OR STATUTORY, INCLUDING, BUT NOT LIMITED TO, ANY (IF ANY) WARRANTIES, DUTIES OR CONDITIONS OF DESIGN, MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE, QUIET ENJOYMENT, QUIET POSSESSION, CORRESPONDENCE TO DESCRIPTION, OR NON-INFRINGEMENT WITH REGARD TO THE SOFTWARE. ALSO, THERE IS NO WARRANTY OR CONDITION OF RELIABILITY OR AVAILABILITY, OF ACCURACY OR COMPLETENESS OF RESPONSES, OF RESULTS, OF WORKMANLIKE EFFORT, PERFORMANCE, ACCURACY, WITH REGARD

TO THE SOFTWARE OR OTHERWISE ARISING OUT OF THE USE OF THE SOFTWARE. NO WARRANTY IS MADE THAT PRACTICE OF THE INFORMATION CONTAINED IN THE SOFTWARE WILL LEAD TO ANY PARTICULAR RESULT.

14. **INTELLECTUAL PROPERTY; CONTENT.** As a condition of your use of the Software, you represent, warrant and covenant that you will not use the Software:

- (i) to infringe the intellectual property rights or proprietary rights, or rights of publicity or privacy, of any third party;
- (ii) to violate any applicable law, statute, ordinance or regulation;
- (iii) to disseminate information or materials in any form or format ("**Content**") that is harmful, threatening, abusive, harassing, tortuous, defamatory, vulgar, obscene, libelous, or otherwise objectionable; or
- (iv) to disseminate any software viruses or any other computer code, files or programs that may interrupt, destroy or limit the functionality of any computer software or hardware or telecommunications equipment. You, not MIPAR, remain solely responsible for all Content that you upload, post, email, transmit, or otherwise disseminate using, or in connection with, the Software. You acknowledge that all Content that you access using the Software is at your own risk and you will be solely responsible for any damage to any party resulting therefrom.

15. **INDEMNITY.** You agree that MIPAR shall have no liability whatsoever for any use you make of the Software. You shall indemnify and hold harmless MIPAR from any claims, damages, liabilities, costs and fees (including reasonable attorney fees) arising from your use of the Software and any breach of the warranties and representations made by you herein.

16. **EXCLUSION OF INCIDENTAL, CONSEQUENTIAL AND CERTAIN OTHER DAMAGES.** TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, WITH RESPECT TO ANY CAUSE OF ACTION RELATED TO OR ARISING OUT OF THIS EULA, WHETHER IN AN ACTION BASED ON CONTRACT, TORT (INCLUDING NEGLIGENCE AND STRICT LIABILITY) OR ANY OTHER LEGAL THEORY, HOWEVER ARISING, IN NO EVENT SHALL MIPAR OR ITS AFFILIATES OR SUPPLIERS BE LIABLE FOR (A) ANY SPECIAL, INCIDENTAL, PUNITIVE, INDIRECT, OR CONSEQUENTIAL DAMAGES WHATSOEVER, (B) DAMAGES BASED ON LOST REVENUES OR PROFITS, LOSS OF BUSINESS OR GOODWILL, LOSS OR CORRUPTION CONFIDENTIAL OR OTHER INFORMATION, (C) BUSINESS INTERRUPTION, PERSONAL INJURY, LOSS OF PRIVACY, FAILURE TO MEET ANY DUTY INCLUDING OF GOOD FAITH OR OF REASONABLE CARE OR (D) ANY OTHER PECUNIARY OR OTHER LOSS WHATSOEVER ARISING OUT OF OR IN ANY WAY RELATED TO THE USE OF OR INABILITY TO USE THE SOFTWARE, THE PROVISION OF OR FAILURE TO PROVIDE SUPPORT OR OTHER SERVICES, INFORMATION, CONTENT, OR SOFTWARE

THROUGH THE SOFTWARE OR OTHERWISE ARISING OUT OF THE USE OF THE SOFTWARE, OR OTHERWISE EVEN IF MIPAR OR ANY AFFILIATE OR SUPPLIER HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

17. **LIMITATION OF LIABILITY AND REMEDIES.** NOTWITHSTANDING ANY DAMAGES THAT YOU MIGHT INCUR FOR ANY REASON WHATSOEVER (INCLUDING, WITHOUT LIMITATION, ALL DAMAGES REFERENCED IN SECTION 16 AND ALL DIRECT OR GENERAL DAMAGES IN CONTRACT OR ANYTHING ELSE), THE ENTIRE LIABILITY OF MIPAR AND ANY OF ITS SUPPLIERS UNDER ANY PROVISION OF THIS EULA AND YOUR EXCLUSIVE REMEDY HEREUNDER SHALL BE LIMITED TO THE LESSER OF: (A) THE ACTUAL DAMAGES YOU INCUR IN REASONABLE RELIANCE ON THE SOFTWARE OR (B) THE AMOUNT ACTUALLY PAID BY YOU FOR THE SOFTWARE MINUS FIFTEEN PERCENT (15%). THE FOREGOING LIMITATIONS, EXCLUSIONS AND DISCLAIMERS (INCLUDING SECTIONS 13, 16 AND 17) SHALL APPLY TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, EVEN IF ANY REMEDY FAILS ITS ESSENTIAL PURPOSE.

18. **AUTHORITY.** By accepting the terms of this EULA below, you acknowledge that you have full authority to enter into this EULA and that if you are an employee of a company, you have full authority from such company to enter into this EULA and bind such company hereto. MIPAR may rely on such acknowledgment when entering into this EULA.

19. **GENERAL.** This EULA (including any addendum or amendment to this EULA that is included with the Software or Upgrades) is the entire agreement between you and MIPAR relating to the Software and the support services (if any) and it supersedes all prior or contemporaneous oral or written communications, proposals, representations and warranties with respect to the Software or any other subject matter covered by this EULA. No waiver by MIPAR of any of the provisions hereof shall be effective unless explicitly set forth in writing and signed by MIPAR. The Software includes confidential information of MIPAR. You shall not use or disclose such confidential information in violation of this EULA. You agree that a material breach of this Agreement would cause irreparable injury to MIPAR, its suppliers and/or its licensors for which monetary damages would not be an adequate remedy and that MIPAR, its suppliers and its licensors shall be entitled to temporary, preliminary and permanent injunctive relief against you, your officers or employees, without the requirement of posting a bond or proving actual damages, in addition to whatever remedies MIPAR might have at law. Except as otherwise set forth in this EULA, no failure by MIPAR to exercise, or delay in exercising, any right, remedy, power or privilege arising from this EULA shall operate or be construed as a waiver thereof; nor shall any

hereby AGREE to be bound thereby.

single or partial exercise of any right, remedy, power or privilege hereunder by MIPAR preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. This EULA may only be amended, modified or supplemented by an agreement in writing signed by each party hereto. This EULA is personal in nature and you may not assign or transfer for any reason whatsoever (including, without limitation, by operation of law, merger, reorganization, or as a result of an acquisition or change of control involving you) without MIPAR's prior written consent and any action or conduct in violation of the foregoing shall be void and without effect. Upon consent of any such assignment or transfer, this EULA and the restrictions herein shall be binding upon those to whom it is assigned or transferred. MIPAR expressly reserves the right to assign this EULA and to delegate any of its obligations hereunder, in its sole discretion. If any provision of this EULA shall be adjudged by any court of competent jurisdiction to be illegal, unenforceable or invalid, that provision shall be limited or eliminated to the minimum extent necessary so that this Agreement shall otherwise remain in full force and effect and enforceable, but shall not affect any other term or provision of this EULA or invalidate or render unenforceable such term or provision in any other jurisdiction. Sections 5-9, 13-17 and 19 shall survive termination of this EULA.

20. **THIRD-PARTY COMPONENTS.** The Software, and certain optional add-on components for the Software, include third-party software components, including open-source software, that are licensed to you under their own terms and not under this EULA. Those terms are identified in the third-party notices documentation accompanying the Software or the applicable add-on. In the event of a conflict between this EULA and a third-party license with respect to such a component, the third-party license governs your use of that component. Without limiting the foregoing, the MIPAR Spotlight add-on includes the SAM Materials (machine-learning model code and trained model weights) of Meta Platforms, Inc. or its affiliates, which are licensed to you directly by Meta under the SAM License provided with, and presented for acceptance during installation of, MIPAR Spotlight. The SAM License contains use restrictions, including prohibited military, warfare, espionage, weapons, and nuclear-industry end uses, and you shall comply with the SAM License with respect to the SAM Materials.
